

HMI AIC LI Courses for Community Care Sector Course Calendar – March 2020

HMI Institute is a Social Enterprise owned by Health Management International Pte Ltd, and a dedicated private provider of healthcare training in Singapore. We are one of two SkillsFuture Singapore appointed Continuing Education and Training Centres for the healthcare support sector since 2009. Since 2001, we have trained more than **5,000** graduates for the Singapore healthcare industry. Till date, we have equipped more than **296,000** individuals in life saving skills.

Join us to build up your capabilities and competencies within the community care sector!
